# NEW

## eVenue Thunder

eVenue's revolutionary system will change your fan experience in ways you can't even imagine. eVenue Thunder is a mobile sound management system that allows you to easily transport it anywhere on campus for any event.

### Mobility

Mobile, rugged, and flexible design provides the opportunity to use one or several ePods for any event at any venue.

### Concert Quality Sound

Higher clarity and depth of sound improve fan experience and motivate players.

### Sound Coverage

Distributed audio reduces noise pollution and provides total venue coverage, increasing energy and excitement.

### Total Control

Event management software helps execute events and sponsor announcements effortlessly.

### Ease of Use

Innovative design makes it easier to manage than traditional portable audio setups.

# PRACTICE

MANAGEMENT

Jeff Vanderbeek, HFC  
Somerville H.S.

Somerville, New Jersey

"eVenue Tempo is an invaluable tool for us because it keeps the level of excitement and motivation constant throughout practice. It keeps us on schedule, excites our kids, and has increased our efficiencies by 30 or 40 percent. We have ZERO wasted time!"

Bill Patterson, AD  
Owasso H.S.

Owasso, Oklahoma

"It's extremely important to stay on schedule and practice efficiently, and eVenue Tempo helps us do that. There is no question that it helps our players have a more enthusiastic attitude. When we practice without it, we immediately see a difference in our players."

Josh Floyd, HFC  
Howitt-Trussville H.S.

Trussville, Alabama

"We always want to be on the cutting-edge, and with Tempo, we've found the advantage we've been looking for. It sets the tone for our entire practice and it definitely makes a difference by keeping us on schedule, upbeat and positive."

The road to a championship begins at practice. eVenue Tempo is an innovative practice management system designed to provide total control over practice through time management, motivation, and coordination tools. From anywhere on the field, Tempo provides control of practice scripts, music, communication, sounds, and the management of play clocks.

(1) eVenue Control Unit

## 1 CONTROL

### Total Control Over Practice

## 4 COORDINATE

### Improve Practice Efficiencies

- **Streamline** staff and tasks through coordinated communication.
- Integrated clock management keeps practice on schedule.
- **Customize** your clocks to replicate specific game day situations.

# GAME DAY

COACHCOMM  
**CONNEX**

The standard in affordable coaches' communications.

- Easiest setup of any headset system
- Hands-free communication, no push-to-talk
- Up to 18 coaches can talk at any time on any channel
- Remote antenna option for greater flexibility and performance

Connex is ready in 3 easy steps!

Nick Winkler, HFC  
A.J. Dimond H.S.

Anchorage, Alaska

"We had our most successful season in the past decade. Connex by CoachComm gave us the on field communication needed to make sure we could get the job done."

**TEMPESTFX**

Take your program to the next level!

- Superior D1-A wireless technology
- A must-have for BIG games in BIG stadiums
- Remote transceiver for greater coverage and flexibility
- 24/7 game day support

Augie Hoffman, HFC  
St. Joseph Regional H.S.

Montvale, New Jersey

"The Tempest FX system has taken our in-game communication to the next level. It is by far the best system we have ever used."

# HEADSETS

**97% of All D1-A Programs  
Choose CoachComm**

Todd Hafner, HFC  
William Penn University  
Oskaloosa, Iowa

"Connex is dependable, easy to use and a huge time saver. It has not only helped my staff, but our entire program as a whole."

Brady Pennington, HFC  
New Caney H.S.  
New Caney, Texas

"We are very satisfied with our headsets. They're the most reliable, clear, and easy-to-operate headsets that I've ever used."

## SMARTBOOM<sup>™</sup> PRO

The only headset featuring SmartBoom technology and a sleek, new design ideal for sponsorship branding.

The SBP Headset features our SmartBoom technology, allowing the microphone boom to act as an On/Off switch for quick microphone muting, eliminating the need to press the talk button. It offers high ambient-noise reduction and high quality audio, along with its flexible design and soft padding for superior comfort.

## BOSE<sup>®</sup> B30<sup>™</sup>

An exclusive headset with patented noise-cancelling technology to eliminate crowd noise from a coach's ears.

Tim Hardy, HFC  
Greater Atlanta Christian School  
Norcross, Georgia

"The Tempest FX headsets are outstanding. Every Friday night we have crystal clear communication. The best thing I can say about Tempest FX is that I have stopped thinking about our headsets: they always deliver."

**The Proven Leader in Sideline Communications.**
