# ONLY TEMPEST STANDS UP TO THE CHALLENGES ON GAME DAY

## CURRENT GAME DAY CHALLENGES:

- More FCC Rules and Regulations
- New "Fan Experience" WiFi systems (Coaches vs. Consumers)
- New conflicts on the horizon for an already congested UHF wireless spectrum
- Limited technology available for coaches and other critical wireless users (i.e. Referees, Media, Security, etc.)
- What's the solution? **Tempest NG**

## SMARTBOOM® PRO

The **ONLY** headset featuring SmartBoom technology and a sleek, new design ideal for sponsorship branding.

The SBP headset features our SmartBoom technology, allowing the microphone boom to act as an On/Off switch for quick microphone muting. Additionally, the headphones provide high ambient-noise reduction and produce high quality audio using a hyper-cardioid dynamic microphone. Lastly, the headset has a flexible design and soft padding to offer superior comfort.

## WHY TEMPEST NG:

- CoachComm is the **leader**, creating solutions to complex problems.
- **Diversity is GOOD** – 2.4GHz and 900MHz systems give you options wherever you're playing.
- **Proven and Unrivaled** – Over 10,000 Tempest beltpacks are in use across the world in over 40 countries in other industries such as Broadway, network news, live touring productions, and many, many more...
- Tempest NG is used by **more than 100 FBS programs** to-date.

## BOSE® A20®

Superior Sound Technology meets Superior Coaches' Communications

The Bose® A20® is an exclusive headset that uses patented noise-cancelling technology to eliminate crowd noise from a coach's ear, giving him a competitive advantage in the loudest of stadiums. The headset offers a sleek, ergonomic design that dramatically reduces clamping force, which creates a much more pleasing fit than a standard headset.
