- Affordable

TEMPO WORKFLOW BASICS

Control

- Drive the pace of practice by keeping it moving and on schedule.
- Use your own music and sounds.
- Easily add time, stop music, play noise, and announce instructions.
- Control locally with Tempo Remote or wirelessly through Tempest FX.

Simulate

- Motivate and energize your players with super powerful sound.
- Simulate loud and hostile game day environments.
- Great for locker rooms, practice, game day, and camps.

Communicate

- Optional integration with CoachComm's Tempest FX headset system.
- Stay in constant communication from anywhere on the field.
- Call out and engage your players with voice announce.
- Use lightweight headsets or your game day headsets.

Coordinate

- Streamline staff and tasks through coordinated communication.
- Integrated segment timer keeps practice on schedule.
- Customize your clocks to replicate specific game day situations.
