

IN-HELMET COACH-TO-PLAYER COMMUNICATION

THE NEW STANDARD IN COACH-TO-PLAYER COMMUNICATION

From calling an audible at the line to making last-second adjustments before the snap, X-Player keeps coaches connected to their players when it matters most. Built by CoachComm, X-System Player is next-generation coach-to-player technology designed to work seamlessly with the proven X-System headset—trusted by hundreds of college teams. Paired together, X-System and X-System Player deliver unmatched sideline-to-field communication, giving your team the ultimate competitive edge.

With crystal-clear audio, a familiar X-System interface, and full field coverage, X-System Player sets a new standard for coach-to-player communication.

**USED BY OVER 150
FBS/FCS TEAMS!**

HEAD FOOTBALL COACH · GARDNER-WEBB UNIVERSITY

WHY IT MATTERS

When every play counts, communication must be instant, accurate, and reliable. The X-System Player eliminates hand signals, wristbands, and sideline boards—giving coaches a direct line to players on the field for faster, error-free play-calling.

KEY FEATURES

- **Direct Coach-to-Player Communication**
Real-time voice directly into players' helmets via wireless receivers.
- **Seamless X-System® Integration**
Built to work perfectly with the same headset system trusted by hundreds of college programs.
- **Exceptional Audio & Full Coverage**
Crystal-clear sound and reliable communication across the entire field.
- **Simple & Intuitive**
Easy to use "cut-off" technology

THE COMPETITIVE EDGE

Combine the X-System Headset with the X-System Player for a complete solution that:

- Speeds up play-calling
- Eliminates sign-stealing
- Improves real-time strategy
- Gives your team the ultimate advantage

PROVEN AND TRUSTED

- **Used by 150+ FBS/FCS programs nationwide**
- **Tested with leading helmet manufacturers**
- **Backed by 30+ years of CoachComm expertise**

"The X-Player system from CoachComm is changing the game by giving coaches and players a direct line of trust and clarity. Every call, every play, every critical situation, every moment, we are connected."

TODD STEPSIS
HFC University of Northern Iowa

"This world is about communication, and in the world of college football, CoachComm is just that; communication. Our X-Player system sets the standard. CoachComm has been a part of McNeese Football, and will continue to do so for years to come. They hit this one out of the park with the X-Player System!"
