

COACH TO CATCHER COMMUNICATION

FLEXIBLE AND EASY-TO-USE COMMUNICATION FOR BASEBALL

COMPLETE SYSTEMS STARTING AT **\$1,850**

Cobalt® PLUS technology is being used by thousands of baseball coaches and players to promote flexible, interruption-free coach to catcher communication and player development.

Lightweight and easy to wear, the Cobalt PLUS pack mounts on the back of the catcher and features a small, low-profile ear tube that is both discreet and unobstructive in use, even in high levels of activity.

Coach and catcher can engage in one-to-one communication and benefit from unique feedback and instruction.
